

Field Operations Specialist

Summary/Objective

This position is responsible for safe, reliable application of crop nutrients and crop protection products for farm accounts and customers serving central Minnesota.

Essential Functions

Custom Applicator/Delivery:

- Communicate daily activities, needs and accomplishments with agronomy operations supervisor.
- Apply agronomy products to customer's fields as recommended.
- Assist in housekeeping and maintenance of facilities and equipment.
- Assist with outbound and inbound agronomy products.
- Operate all equipment and vehicles according to Belgrade Coop policy and procedures along with local, state, and federal laws.
- Ensure safety compliance.
- Maintain and record maintenance of application equipment, tending equipment, NH₃ equipment, pickups and side dress units.
- Record field application logs.
- Assist with delivery of dry and liquid fertilizer, NH₃ and crop protection products as assigned by agronomy operations supervisor.
- Provide courteous customer service

Work Environment

This position is performed in outside weather conditions, seasonally, with opportunity to work in a shop (temperature-controlled environment) in the off-season or winter months.

Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.

While performing the duties of this job, the employee is regularly required to talk and hear. This position is very active and requires standing, walking, bending, kneeling, stooping, crouching, crawling, and climbing all day. The employee must frequently lift and/or move items over 50 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception and ability to adjust focus.

Position Type/Expected Hours of Work

This is a part-time/seasonal position with potential for full-time employment with the right candidate. Hours of work and days are Monday through Friday, 8:00 a.m. to 5 p.m. with a requirement of extra hours during spring and summer application season and fall drying season. Benefits will be offered with full-time status. Overtime pay is offered for weekly hours over 40 hours.

Preferred Education and Experience

- 1-3 year experience of operating farm machinery or heavy equipment
- Commercial CDL driver's license with tanker and hazardous endorsement.
- Commercial applicator's license from Minnesota Department of Agriculture.
 - ****Willing to train the right candidate to obtain necessary licensing***

Other Duties

Please note this job description is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that are required of the employee for this job. Duties, responsibilities and activities may change at any time with or without notice.

Belgrade Cooperative is a farmer-owned Cooperative servicing central Minnesota and is an equal opportunity employer. Full-time status opportunity with benefits, paid time off, retirement, and a flexible work environment.
